ETA NU**

The Eta Nu Education Foundation, Inc., in partnership with the Eta Nu Chapter of Omega Psi Phi Fraternity, Inc., proudly presents the **8th Annual Benefit Gala & Achievement Week Awards**. This black-tie event, to be held on **Saturday, November 14, 2026**, at the **Tru by Hilton Pompano Beach Pier**, is our premier fundraiser of the year — a night dedicated to honoring distinguished leaders, celebrating excellence, and uplifting the Pompano Beach and Broward County community.

Proceeds from the Gala directly support our scholarship fund, youth mentorship programs, and community initiatives that empower underserved families and inspire the next generation of leaders. By becoming a sponsor, your organization not only gains visibility before an influential audience of civic, corporate, and community leaders but also plays a pivotal role in shaping brighter futures.

We invite you to partner with us in this meaningful effort and join us in creating lasting impact through education, mentorship, and service.

ROOFTOP RECEPTION BEGINS AT 6:00PM

Over \$875,000 raised...

Together, with the Eta Nu Chapter and our community partners, all of our events are hosted with a single purpose: *to create opportunity for youth through scholarships and youth mentoring, and to aid us in providing uplift to Pompano Beach and Broward County.*

Since 1969, Eta Nu has provided over \$875,000 in scholarship funds to college-bound youth in the Pompano Beach and Broward County area to support their educational endeavors. Without your support, this would not be possible.

YOUTH MENTORING: Q-Unit and Gentlemen of Influence

The Q-Unit and Gentlemen of Influence youth mentoring program was established in 2008 with a desire to close the minority male achievement and access gap by guiding minority male students along a carefully charted path through grades 7 through 12.

Every year, we serve an average of 60+ young men in the Pompano Beach and Broward County area. Our Q-Unit and Gentlemen of Influence youth mentoring programs have collectively served young minority males over the past 17 years through an active and engaging program that provides life skills and leadership development, S.T.E.M. education, and training in entrepreneurship and social justice.
